

Rotarians at Work Month 2014

***5 days + 4 clubs+ 54 workers
= great Rotary service***

Servants CEO Matt Maudlin

"Servants Community Housing has been operating affordable accommodation and safe housing for those on low incomes for over a quarter of a century in Hawthorn, and more recently, Canterbury and Kew.. Our passion is built around offering a structure in which vulnerable individuals—many of whom suffer from long-term mental illnesses—can live in relative comfort."

Four "shifts" to go. Won't you join us?

The tiles are down, the bathrooms are prepared for their new tiles. The hard work is mostly behind us. Now it's time for the final clean up and gardening. Just four more sessions will see it finished. We need some more hands. Won't you join us?

The work is unskilled and is not onerous. And of course fellowship is a big winner. These are the remaining work days and times.

(with tea and coffee in the middle)

Wednesday 16 April 9am – 1pm

Rotary and Servants

The work of Servants Community Housing will need no introduction to many Rotarians. Several Rotary Clubs are already engaged in supporting the fine work of this admirable organisation. Homeless people—most of them challenged to some degree—are welcomed into so much more than accommodation. They become part of a familial and caring environment—a real home.

Romana House is the latest facility to be adapted to the Servants use. It adds to Carrical House and Hamer Court.

Romana House, 11-15 A'Becket Street Kew. Formerly a nursing home and soon to be the new home for twenty-four homeless clients.
